

DIVUM 30K

Divum 30K is a LED projector with an extraordinary performance thanks to its 25.500 Lumen COB LED ideal for long distance brilliant projections. With its overall simplicity, compact design and a degree of protection of IP54 it is perfect for outdoor projections and Christmas effects.

The internal Power Supply is certified with a IP65 protection rating to form an impenetrable shelter while the chassis, rated IP54, is still perfectly suitable for permanent outdoor projects and avoids the phenom of fogging the lens typical of the sealed units. Divum ensures maximum creativity, dynamism and flexibility with a bright and precise reproduction of graphic designs, logos and patterns.
